

SAHNOAN STAR

Stand Not Between Me and the Sun

And The Results Are In

Tara Hall was filled to overflowing for last Saturday's Shareholders Meeting of the Conference of Olympus Gymnosophical, Inc.

Five candidates were vying for this year's three available seats. One seat was vacated by Ronnie B., who chose not to stand for reelection. The candidates were Crystal W., Jamie M., Mark S., Bob R., and Mark B.

Following the agenda from the By-Laws, Crystal called the meeting to order and asked the Corporate Secretary, Linda M., to carry out the usual preliminaries. Then nominations were made and accepted, speeches were made by each candidate, the Council interviewed the candidates, questions were brought forth by the Shareholders, ballots were distributed and collected and the election judges retired to count the ballots.

Ronnie then recapped the accomplishments for the past year, followed by questions from the audience.

The judges returned and Jennifer M. posted the results: Mark S - 54, Jamie M - 50, Mark B - 40, Crystal W - 34, Bob R - 14.

Congratulations to the winners and thanks to Crystal and Ronnie for their past service.

Immediately following the Shareholders meeting, in closed session, the Board elected Mark S as our new President, and Mark B as Vice President. All other officers remain the same.

Message from the President a.k.a. Customer Service Rep

Customer Service Representative

I have written many times about responsibility. The fact of the matter is responsibility cannot be delegated. One person must be accountable. For Star Ranch, Crystal has been that person for the last several years. While it is true we have folks that perform duties, when the proverbial s**t storms hit the place, it was Crystal who had to step up and say hello. I want to publicly say thank you for all you have done and ask you to please answer the phone, when I call for advice. Crystal and I spent a couple of hours together post-election at her request. so that she could get me lined up on a few things. That speaks to her character and desire to ensure all the club's needs were properly addressed.

I really do not enjoy the president title. It is not the work or the responsibility, it is the title. The perception is I am better than other members. That is not the case. I would prefer to be known as the customer service representative. Some may think I have lost my mind to be worried about words. Well, I think words matter and would prefer to be called customer service representative.

In an effort to keep communication open and rumors down to a minimum, I plan to make myself available every month to talk to the members in a town hall setting. These meetings will take place the first Saturday of the month between 8-10:00AM in the hall or at the pool depending on the weather. We will call it "Meet Mark". I will do my best to accommodate every question with an answer.

The Meet Mark sessions do not mean I am not available as needed. You can call or text me on my cell phone: 8179075742. I also plan to attend most of the Council functions and can be approached anytime. My goal is to make it easy to vent to me. Simply put, I cannot fix it if you don't tell me about it. Please do not assume I know everything you know. On the other hand, if you would like to praise our paradise, I like those conversations as well.

Thank you for all you do.

Mark S,
Customer Service Representative
