Jennifer and I discovered **Star Ranch** almost fifteen years ago and became Gold Members in July of 2011. We now own Cabin Q5 and have recently added another 120 square feet. We have tackled many projects at the Ranch including the addition of a new sound system at the pool, promoting the 60th anniversary, and DJing the occasional dance. We are also members of AANR and TNS.

My time on the Board and my time serving as President since last April has taught me that you will never please all of the varied constituencies found here, but my task has been to do what is in the best interests of this recreational facility, so that people who come here can have FUN!

My goals for this next few years are:

To prepare and present to the membership a **Five Year Plan**, outlining the direction the Board desires to take in the planning and construction of additional amenities here at the Ranch.

To continue the **marketing** efforts begun last year to increase participation, thereby increasing revenues.

Assist in continuing the profitable direction the club has taken, while working with the general manager to enhance the **infrastructure** we have now.
