## Star Ranch 1st Annual Texas Area Nudist Film Festival by Mark B

I want to say a H U G E thank you to the Star Ranch members for making the 1st annual Texas Area Nudist Film Festival a huge success! In my experience, the one thing missing from many festivals is the audience. I have literally watched my films in a room with five or less people on multiple occasions. You guys did not disappoint! Thanks for coming out and watching the films!

I hope you enjoyed what you saw. I think we had a good line up, especially for a small festival. I know a lot of you did not know what to expect, but from what I heard between the screening blocks (and during the screenings for that matter) you weren't disappointed.

I also want to thank all the volunteers that helped out, especially the kitchen folks that made the food for us! Also the volunteers who helped set up the hall for the screenings, and of course, Mike W and Jennifer M for providing the technical assistance and equipment for projection and sound and thanks to Debbie J for the logo, and to Chris A for laying out and printing of our posters. A BIG shout out to Ken W, a lot of the day work falls on him, even with a great group of volunteers, there are just some things that the manager has to do. Ken did a great job supporting the festival.

I am looking forward to doing this again next year to expand the roll of volunteers by opening up some other jobs. I have updated our listing on *FilmFreeway*. Will start taking submissions January 1st.

If you are interested in helping out next year, please let me know. I look forward to working together to make this a yearly event!
