The Convention is Coming!

AND We Need Help!

As we prepare for the **2020 AANR International Convention** this August we have various committees working on getting everything arranged for the arrival of the hoard!!! BUT, we still need your assistance.

Take a look at the various committees and see which one fits your skill set:

Food – Obviously this committee will be working on feeding the masses during convention week, whether it be kitchen-prepared meals, catered functions, food trucks, snacks at the pool or whatever works to get everyone fed. We need planners, delivery specialists, cooks, servers, slicers, dicers, dishwashers, grillers, etc.

Marketing – Publicizing this event, spreading the word throughout Central Texas and the rest of the nation, dealing with TV, radio and the local print media, populating social media outlets,

Health & Safety – this committee is already well on the way to ensuring the health and safety of our members and guests. We have most of the needs already fulfilled – both Hall-based and pool-based first aid needs. Will be lining up medical resources to stand-by during the convention.

Housing – The goal of this committee is to ensure that everyone attending the convention has a place to stay. They will be contacting all members in search of RVs, cabins, tents, rooms or beds that might be available for convention attendees. The local motels in Elgin will also be contacted to inquire as to availability and rates for the week of the convention.

Transportation – Getting people to/from the airport to the Ranch and to/from the Ranch to local accommodations is the goal of this committee. We need to find/rent a vehicle to handle this task, as well as drivers to do the driving.

Facilities – Working with the GM, this committee will make sure that the facility is in tip-top shape and ready for our guests and their various activities.

Hospitality – This group's task is to greet our guests and see that they locate their accommodations and know where the various functions are taking place. These are our goodwill ambassadors!

In Memory of

REMINDER: There will be a memorial service for Jim B. on Sunday, February 9 at 2 PM. The service will be held at the National Association of Letter Carriers Austin office. The address is [601 Williams Street in Austin](#). (Click on address for map.)

HEALTH AND SAFETY COMMITTEE

The news is full of fear and conjecture about the Coronavirus in China and what it means to us. The intelligence being received is ambiguous and sketchy, ranging from a non-event to a pandemic. Fear diminishes your immune system, so even IF this was a major concern for us, we would be shooting ourselves in the foot to panic.

Keeping healthy is key. Make sure you eat nourishing meals, stay well hydrated, get some exercise and WASH YOUR HANDS. It is not necessary to use antimicrobial soaps and long-term that would make you more vulnerable to other problems. Plain old soap and water with friction is sufficient. And cover a sneeze or cough with an elbow or tissue. Avoid crowded places as much as possible and try to avoid being around a sick person. Should you become ill, stay home!

With simple commonsense efforts this event will pass, and we will all be smarter and stronger for it. Most of these are viral in origin and antibiotics are contraindicated and will render your immune system weaker in the long run. I will be happy to answer any specific questions on prevention and what to do if you do become ill within my scope and knowledge.
