

SAHNOAN STAR

Stand Not Between Me and the Sun

From the President

When I was a little girl, I did not dream of becoming the President of the Board of Directors at Star Ranch. But here I am. The transition has been remarkably smooth. I have met with staff members several times and I have learned that it is they who really keep things running smoothly on a daily basis; the Board of Directors has met several times; Board and Council have met; I have met with several members with challenges to be addressed. Everyone has been very open with sharing their needs and desires. It has been mutually satisfactory.

I can't do this job alone. The rest of the BOD members have stepped up to take care of some of the things that I can't do. They have my back. Many thanks to Mike W, Crystal W, Ronnie B, Jamie M. Dave M WILL conquer Quickbooks! Mark B continues to train office staff.

I have always said that if I was chair of an open BOD meeting that anyone who wished to speak would have the opportunity. The October BOD meeting was attended by 35 Sahnoans in 8 cars and 15 golf carts. And anyone who had something to say had the opportunity! I appreciate hearing your questions, opinions, and concerns; it lets me know what Sahnoans are thinking and what issues need to be addressed. The focus of Star Ranch management has always been, is, and will continue to be the good of the membership served – You - the Sahnoans!

The Chilly Cheeks 5K is over. We had the most runners ever for the fall fun run. All the volunteers pulled it off. Whew!

We had the perfect event to close out the summer season at Star Ranch – the Halloween Party. At 6 PM on Saturday, October 30, we had a hot dog pot luck. Hot dogs and condiments were provided by the club. We brought the sides and desserts. At 7 PM costumes were judged for best couple, best male, best female, funniest, scariest. Hope you didn't miss that. Followed by the Halloween party and dance – all at Tara Hall.

Yard of the Month is also PoO: Site A-1; Ronnie and JoLynn B.

By David P.

Yard of the Month can also represent Pride of Ownership (POO). Last year Ronnie & JoLynn began the YOM series with a cornucopia of vegetables. Since then, Ronnie has used his spare time to paint the house and trim---upgrading the decades-old perpetual Pink. Since theirs is one of the very few sites which is 90% front yard, he has been “repurposing” outdoor shelves and containers, which increases landscaping depth. Peeking around the corner is the frame of a new carport---a daunting-looking structure, to say the least. He builds everything by himself, capitalizing on his nine years’ training and experience as a carpenter.

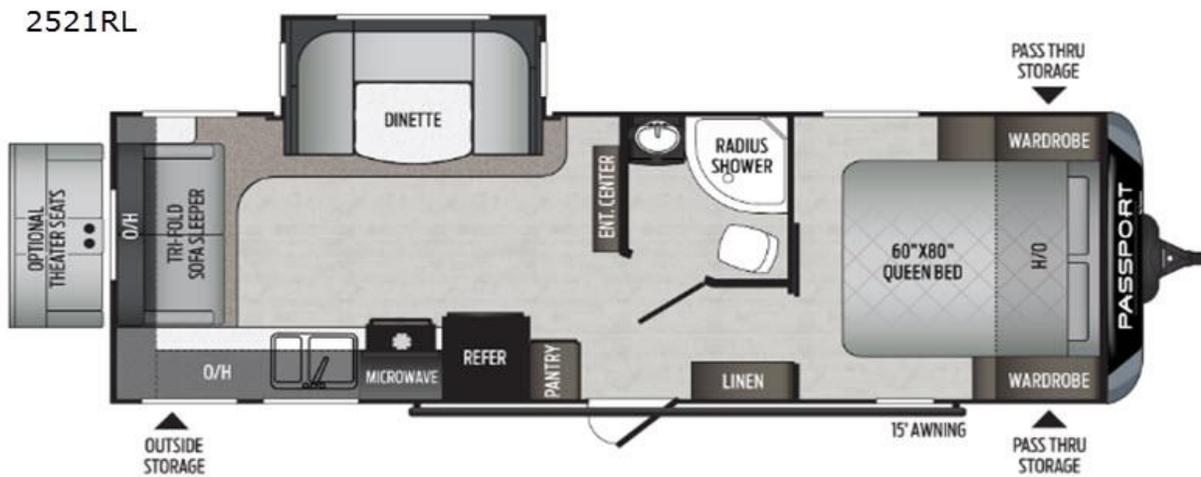

He emphasized to this writer that these kinds of projects **are purely a hobby**, not a gateway to offering his expertise for hire. His day job is in the communications industry, a far cry from hammers, nails and scaffoldings. His time is further stretched by rendering unstinting service on our Board of Directors (“It’s never dull.”) During their 35- year marriage, Ronnie says “JoLynn has been my emotional support.” Site A-1 is 2021’s cornucopia which is remarkably eye-pleasing to visitors and members alike.
