

SAHNOANS COUNCIL MEETING MINUTES

March 13, 2022

Council Members present: Deborah V, Mark D, CM J, Nancy R, Bob R

There was no Old Business to discuss or resolve.

Jody J stated the announcement of the St Patrick's Day Event was poorly advertised. Better planning is needed to have more participation in activities.

Mike W stated more activities need to be scheduled and posted on the calendar. Starting in April, there needs to be a dance scheduled for every Saturday night. Mike W agreed to line up DJ's, KJ's, and/or live bands for the scheduled dances.

A lengthy animated discussion ensued leading to activities/eventd being scheduled through June. Some of the upcoming events are a Scavenger Hunt, Easter Egg Hunt, Cinco De Mayo Celebration, to mention a few. See the calendar for a complete list. A group discussion about something other than towels being offered as prizes for winning a sport event. Several members will research prize options and bring the ideas back to the Council for consideration. CM J shared the estimates for embroidering towels and creating patches. Those in attendance agreed the prices were reasonable.

Mark D emphasized the advantages of being on the Star Ranch Telegram to keep abreast of daily happenings. The information to gain access to the program is spelled out on the Star Ranch website under the Members Only section. As soon as he receives a request, he will add the name to the group and notify the user.

Mark S asked how many members were on the Star Ranch roster, and what was the Council's plan for growth. Discussion resulted in agreeing that more scheduled events and better advertisement through digital engines was a good start to growing memberships. An Action was taken to identify the number of members (gain/loss) would be available at the next Council Meeting.

Mike W stated interviews for Star Ranch General Manager would be conducted March 19 and 20, 2022.

The Naked as Created Group will hold their meeting at Star Ranch 25-29 July, 2022. They will be in Tara Hall each morning for a General Meeting. The rest of their meetings will be held at their camp or cabin sites. They are providing their own meals. Nothing further is required from the Ranch.

With no further items from the floor or the Council, the meeting was adjourned at 11:30.

Respectfully Submitted,

CM J
