PROCEDURES

Residents on Eely Road must have fencing or a barrier to ensure there is no line of site from the road into Star Ranch property.

Any fence gates on Eely Road must be kept closed when not in use to ensure no line of site into Star Ranch property.

Non-Eely Road fencing, except for 4-foot animal enclosures, must be approved according to architectural guidelines.

All plans for constructing fences, whether making modifications to an existing fence, or building a new fence must be submitted in writing to the BoD for approval.

The plan must include a detailed description of the project, materials to be used, and expected completion date.

Failure to submit the necessary documentation, follow safety requirements or begin or pursue construction before or without receiving approval may require demolition of the fence.

During construction the office will be notified when workmen will be accessing Star Ranch property.

The BoD shall determine whether construction or modification will impair or detract from the beauty of the natural surroundings.

Color of paint/finish must be approved.

The BoD will respond to construction/renovation requests in a timely fashion.
