PROCEDURES

All members, visitors and guest on Star Ranch property are required to utilize trash receptacles to dispose of any unwanted items or debris.

Household trash from a members site must be disposed of in a proper animal proof receptacle and not left unsecured to prevent rodents and other animals from spreading litter on the property.

Failure to properly dispose of household trash in proper receptacles may result in fines or charges for cleanup.

Repeated failures to appropriately dispose of litter will result in a referral to the Council for review of membership in good standing.
