

Policy And Rules Open Flame

OPEN FLAME

PURPOSE

The purpose of this policy is designed to enhance the overall fire safeness of the interior and exterior of Star Ranch property, our aging buildings, and the life safety of its occupants through the governed use of open flame devices, equipment, and materials. The policy and rules described herein apply to everyone on property owned by Star Ranch.

DEFINITIONS

Open flame Any device that temporarily emits a flame that is directly exposed to outside elements. Some examples would include candles, kerosene lamps, campfires, burn barrels, and oil lamps, fire pits, and pyrotechnic devices (fireworks).

Member any individual or couple who holds a membership at Star Ranch

Visitor any individual or couple who have cleared a background check and paid the fee(s) for use of Star Ranch facilities

POLICY OWNER

Conference of Olympus (Gymnosophical), Inc. Board of Directors (BoD)

These rules may be changed by a majority vote of all board members. Any such changes are effective immediately upon adoption by the board.

Exceptions to these rules may only be granted by the BoD, general manager of Star Ranch or his or her designee.

These rules may be enforced by any member of the Board of Directors or the Sahnoan Council.

PROCEDURES

OPEN BURNING IS PROHIBITED on Star Ranch property except for when conducted by Star Ranch Management Personnel in strict accordance with applicable Laws at a designated location.

No member or visitor may have any open flame as described in definitions above.

Outdoor cooking is limited to propane or pellet grills on your Premises; charcoal and open flame cooking is prohibited.

A fire extinguisher must be visible and close at hand in any area where any sort of grill is being used.

Cigarette butts must be completely extinguished and disposed of in an appropriate ashtray or other fireproof disposal device.

Fireworks, or any other incendiary devices are not allowed.

No member or visitor will store gasoline, petroleum, volatile, or hazardous materials in unapproved containers or in a way that creates a fire risk.

Members may not bring hazardous materials into the community without written permission from the general manager or BoD.

No member or visitor will heat a structure or recreational vehicle with a gas operated cooking stove, oven or kerosene heater.
