

# Policy And Rules Photography

## PHOTOGRAPHY

### PURPOSE

To establish and maintain a photographic policy and rules to protect the privacy of members and visitors. The policy and rules described herein apply to everyone on indoor or outdoor property owned by Star Ranch.

### DEFINITIONS

Members any individual or couple who holds a membership at Star Ranch

Visitor any individual or couple who have cleared a background check and paid the fee(s) for use of Star Ranch facilities

Guest a hosted guest of a site holding member.

### POLICY OWNER

Conference of Olympus (Gymnosophical), Inc. Board of Directors (BoD)

These rules may be changed by a majority vote of all board members. Any such changes are effective immediately upon adoption by the board.

Exceptions to these rules may only be granted by the BoD, general manager of Star Ranch or his or her designee.

These rules may be enforced by any member of the Board of Directors or the Sahnoan Council.

### RELATED POLICIES/RULES

Drone/UAV Policy

Photography Rules

### PROCEDURES

Photography or videography is not permitted.

There will be absolutely no nude photographs allowed of children under the age of eighteen.

Camera lenses on phones, tablets, laptops, or any other devices must be covered.

Special exceptions to this policy require managements prior approval.

Approval and written permission for photography prior to a function must be obtained from: Board member, Council member or Officer.

Upon receipt of permission, the Office Staff will release an orange COG, Inc./Star Ranch camera tag.

There will be one photographer per sanctioned event.

The photographer will obtain written releases from all members whose photos were taken and leave them with the Office staff.

The office will keep an ongoing list of members who have turned in a photo release.

Immediately following the event, the photographer will bring his/her camera to the office and download any pictures from the camera's memory card to the office computer. At that time the pictures taken will be deleted from the memory card.

The photographer will then turn in the orange camera tag.
